

Dear Parents,

The first month of school was very busy and successful for the preschoolers. The students have adjusted nicely to the daily routine and are now very comfortable in the classroom. They are learning each other's names and making new friends. It is fun to watch them learn how to be part of a group.

This past month we focused on concepts that will be addressed throughout the school year. We focused on colors, shapes, and numbers. These concepts will be taught through themes. Our first theme will be fall. We will also begin the letter of the week, starting with letter L, and our job chart this week.

A few reminders:

- Picture day is October 6th.
- The PTA cookie sale ends Friday, October 2nd

If you have any questions or concerns, please feel free to contact me!

Thanks,
